

EPISCOPAL CHURCH WOMEN PROVINCE 1

EPISCOPAL HEALTH MINISTRIES 2016

Episcopal Health Ministries just held a national conference in Indianapolis in September. Entitled *Love Thy Neighbor as Yourself*, the conference drew parish nurses (now titled Faith Community Nurses), health ministers, and clergy from around the country. This was a celebration of 20 years of EHM, which currently has an active Facebook page and is undergoing reconstruction of its website. The Province 1 contact for EHM is Ginny Wagenseller, RN, FCN, from Christ and Holy Trinity Church, Westport, Connecticut.
